Nye County Board of County Commissioners  
2100 Walt Williams Drive Ste 100  
Pahrump, NV 89048

Dear Commissioners,

I was approached by Commissioner Wichman informing me of the resignation of Richard Billman as Nye County Treasurer. In light of the recent retirement of the Deputy Chief in that department as well, she was concerned about the lack of experience in the department going forward. Commissioner Wichman asked me if I would be interested in being appointed to the position of Treasurer.

I am writing to express my interest in being appointed to the position of Nye County Treasurer to complete the term vacated by Richard Billman. I have extensive experience in financial management both in aerospace and with the research and development division of a software development company. In addition, as you are aware, I recently spent over 11 years with Nye County as Comptroller, and then in the County Manager's office overseeing the Comptroller department. I am very familiar with fund accounting, and the various funds in place in Nye County.

In addition, I have worked to implement several financial systems. I recently worked with the Nye County Assessor to negotiate a new tax assessment system for Nye County which will also be implemented in the Treasurer's office. This system will replace the current AS400 software package that has been in place for many years.

Thank you for considering me for this important position.

Sincerely yours,

A handwritten signature in blue ink that reads "Pam Webster". The signature is fluid and cursive, with a long horizontal line extending to the right from the end of the name.
